- To educate students about safe internet usage and digital hygiene.
- To provide knowledge on password safety and secure browsing practices.
- To highlight the importance of data protection and privacy settings.
- To encourage responsible and ethical use of technology and social media.
- To inform students about cyber laws and available reporting mechanisms.

4. Program Description

The awareness session included presentations by alumni experts on cyber security, types of cybercrimes, social engineering attacks, phishing, password hacking, and identity theft. Students were shown real examples of cyber fraud and were guided on identifying suspicious online activities. Demonstrations on secure browsing, updating devices, enabling two-factor authentication and verifying website authenticity were provided.

5. Program Activities

- Presentation on cyber threats and digital safety.
- Demonstration of phishing emails and scam messages.
- Interactive session on secure online behavior.
- Explanation of cyber laws and reporting portals.
- Q&A session with students for clarification of doubts.
- Display of posters and digital safety guidelines.

6. Program Photos

7. Outcomes of the Program

- Students learned essential skills to protect themselves online.
- Increased awareness about online fraud and cyber-crime prevention.
- Developed responsible digital behavior and online etiquette.
- Improved understanding of data privacy and protection methods.

- Enhanced confidence to report cyber incidents appropriately.
- Strengthened collaboration between alumni and students in digital literacy.

8. Program Summary

The Cyber Security & Digital Safety Awareness Program successfully equipped students with vital information on protecting themselves online. Alumni contributions enriched the session with practical demonstrations and real-life case references. The program emphasized building a safe and secure digital environment within the campus and encouraged responsible technology use among students.

9. Conclusion

The session highlighted the need for cyber awareness in everyday life. Students gained valuable knowledge on identifying threats, using digital tools safely, and protecting their personal data. The program proved to be informative, interactive, and essential for fostering a cyber-secure student community.

GRAINS OF KINDNESS PROGRAM REPORT

Organized by: SKR & SKR Alumni Association Students

Faculty Involved: The Principal, Dr. V. Saleem Basha, SKR & SKR GCW(A), Alumni Students and Current Students

Date of Event: 27/10/2025

1. Title of the Program

"GRAINS OF KINDNESS: COMMUNITY FOOD SUPPORT & SHARING INITIATIVE"

2. Introduction / Synopsis

The Grains of Kindness Program is a community-driven initiative aimed at encouraging students and alumni to contribute small quantities of rice or grains to support underprivileged families. This initiative focuses on the belief that even a handful of grain contributed regularly can collectively make a significant impact in addressing hunger and supporting vulnerable households. The program promotes compassion, responsibility, and the spirit of giving among the youth.

3. Objectives of the Program

- To promote the habit of sharing and social responsibility among students.
- To support economically disadvantaged families through collective food contributions.
- To raise awareness about food insecurity and hunger-related issues.
- To encourage alumni and students to participate in community service.
- To establish a sustainable model of grain collection for future initiatives.

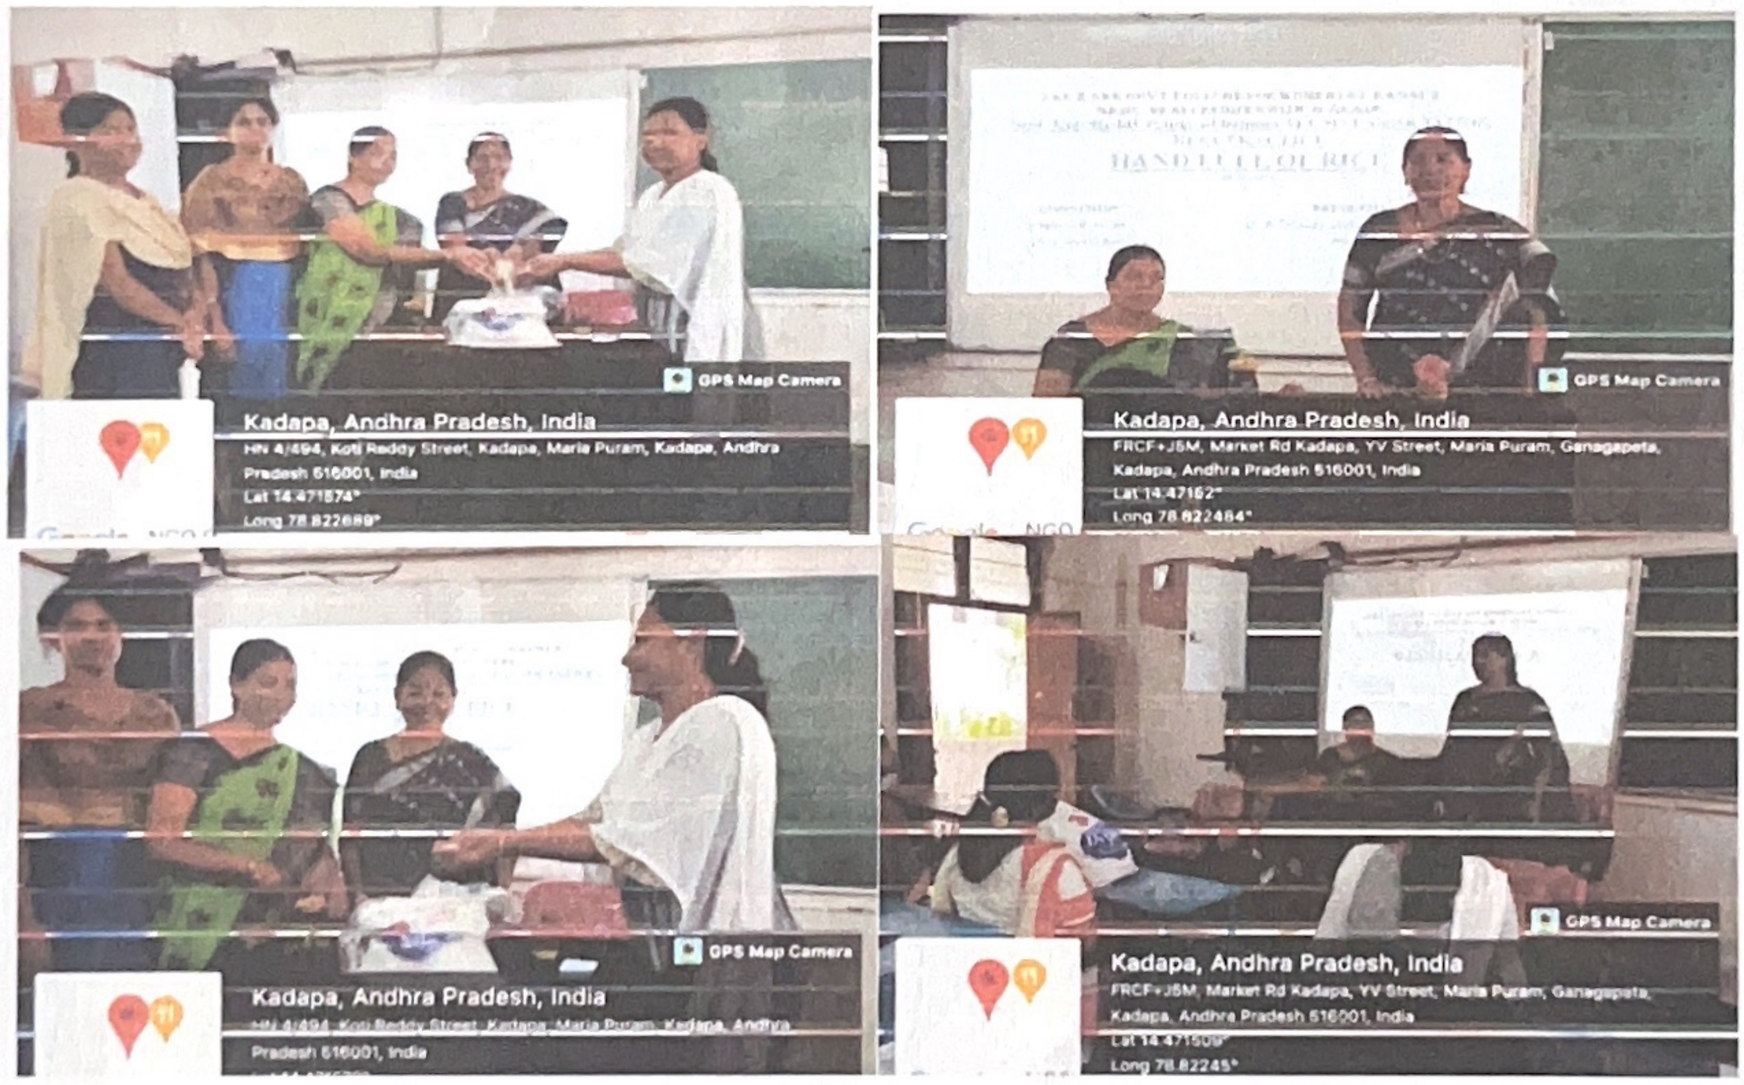

4. Program Description

The Grains of Kindness Program involved voluntary contributions of rice and grains from students, alumni, and faculty members. Collection points were set up across the campus, and participants were encouraged to donate small quantities of rice regularly. Alumni addressed students about the importance of social commitment, food security, and community support. The collected grains were sorted, packed, and prepared for distribution to families in need.

5. Program Activities

- Awareness session on food insecurity and the value of community contributions.
- Rice and grain collection drive across all departments.
- Sorting, measuring, and packing of collected grains.
- Motivational talk by alumni on sustainable giving practices.
- Planning session for distribution to identified families in need.

6. Program Photos

7. Outcomes of the Program

- A substantial amount of grains was collected through community participation.
- Students gained awareness of hunger issues and the importance of sharing.
- Strengthened collaboration between alumni, faculty, and students.
- Participants developed a sense of responsibility and empathy.
- Plans for expanding the initiative to a recurring social outreach program were discussed.

8. Program Summary

The Grains of Kindness Program successfully encouraged voluntary contributions to support marginalized families. The involvement of alumni and faculty enriched the initiative with guidance and motivation. The program fostered awareness, compassion, and active engagement in social service among students, creating a positive impact on both the campus and the community.

9. Conclusion

The initiative highlighted the power of collective action and reinforced the importance of helping those in need. With enthusiastic participation from students and alumni, the program stands as a testament to the community's dedication towards creating meaningful social change.

PREVENTION OF EARLY MARRIAGE PROGRAM

Organized by: SKR & SKR Alumni Association Students

Faculty Involved: The Principal, Dr. V. Saleem Basha, SKR & SKR GCW(A), Alumni Students and Current Students

Date of Event: 07/11/2025

1. Title of the Program

"AWARENESS PROGRAM ON PREVENTION OF EARLY MARRIAGE"

2. Introduction / Synopsis

The Prevention of Early Marriage Awareness Program was conducted to educate students and the community about the social, health, and psychological consequences associated with early marriage. The program emphasized informed decision-making, legal rights, and the importance of education and empowerment. SKR & SKR Alumni Association, along with college students, jointly organized this initiative to create awareness and encourage youth to make responsible choices.

3. Objectives of the Program

- To raise awareness about the adverse effects of early marriage.
- To educate students on legal frameworks regarding the prevention of child and early marriages.
- To promote the importance of education, self-reliance, and emotional maturity.
- To encourage responsible decision-making among young individuals.
- To empower students to act as ambassadors of change in their communities.

4. Program Description

The program featured expert talks, interactive discussions, and real-life case presentations to help students understand the long-term impact of early marriage. Alumni members explained the legal aspects, social challenges, and health complications associated with early marriage. The session also highlighted the importance of career building, personal development, and emotional well-being before taking marital responsibilities.

5. Program Activities

- Awareness lecture on the consequences of early marriage.
- Interactive session on social and emotional readiness.
- Discussion on legal rights and protective laws preventing early marriage.
- Case study presentations by alumni members.
- Open-floor Q&A session involving students and faculty.

6. Program Photos

7. Outcomes of the Program

- Students gained clear understanding of the negative impacts of early marriage.
- Increased awareness about legal protections and support systems.
- Improved participation and engagement from students and alumni.
- Enhanced motivation among students to prioritize education and career development.
- Strengthened collaboration between alumni and current students for social awareness initiatives.

8. Program Summary

The Prevention of Early Marriage Awareness Program proved to be informative and impactful. Participants actively engaged in discussions and expressed interest in spreading awareness within their communities. Alumni played a crucial role in guiding students and addressing questions. The session reinforced the need for education, patience, and preparedness before entering marriage.

9. Conclusion

The initiative successfully highlighted the importance of preventing early marriage and ensuring a brighter, more secure future for young individuals. With active involvement from alumni, faculty, and students, the program served as a significant step toward building informed, confident, and empowered youth.

Date of Event: 30/01/2026

1. Title of the Program

"PLANTATION PROGRAM – GROW GREEN, LIVE CLEAN"

2. Introduction / Synopsis

The Plantation Program was organized to promote environmental protection, greenery, and ecological awareness among students. The initiative highlighted the role of trees in maintaining biodiversity, improving air quality, reducing pollution, and contributing to a healthier ecosystem. SKR & SKR Alumni Association, with active participation from students, conducted this plantation drive to inspire responsible environmental behavior and promote sustainable living.

3. Objectives of the Program

- To promote environmental conservation and increase greenery within the campus.
- To create awareness about the importance of trees for ecological balance.
- To encourage active participation of alumni and students in plantation activities.
- To develop responsibility among students towards protecting nature.
- To contribute towards a cleaner and healthier campus environment.

4. Program Description

The program began with a brief introduction on the significance of tree plantation. Faculty members and alumni guided students on proper planting techniques, including soil preparation, spacing, watering, and sapling care. Participants then planted various saplings across designated green zones within the college campus. The initiative encouraged teamwork and collective responsibility while promoting long-term environmental care.

5. Program Activities

- Awareness talk on climate change and importance of trees.
- Demonstration on planting and sapling protection techniques.
- Planting saplings in the campus garden and green areas.
- Participation of alumni, faculty, and students in group plantation.
- Discussion on long-term maintenance and plant care.

6. Program Photos

7. Outcomes of the Program

- Increased green cover in the campus environment.
- Enhanced awareness among students regarding environmental conservation.
- Strengthened collaboration between alumni, faculty, and students.
- Encouraged students to engage in eco-friendly activities regularly.
- Improved understanding of sustainable environmental practices.

8. Program Summary

The Plantation Program was conducted successfully with enthusiastic involvement from students, alumni, and faculty. The drive created a sense of responsibility among participants towards environmental protection and encouraged them to actively contribute to maintaining greenery on campus. The initiative served as an inspiring step towards building a cleaner and greener future.

9. Conclusion

The Plantation Program highlighted the importance of afforestation and collective environmental responsibility. The active participation of alumni, faculty, and students made the event impactful and meaningful. The program stands as a commitment towards sustaining ecological balance and promoting green practices within the campus.
