To bring the faster execution State Government Andhra Pradesh has established The Department of Skill Development, Entrepreneurship and Innovation (DSDEI) has been further created to coordinate and synergize skilling efforts of all departments. Under which APSSDC is formed.

To target 20 million people in AP in next 15 years towards skilling and entrepreneurship to meet skilled human power demands of all Missions and shape AP as the skilled-workforce and knowledge hub for the world.

Vision

To eliminate the poverty and create decent work for all by investing in the social capital through employment-oriented and industry aligned skill development and livelihood generation.

Mission

Identify the gaps in the existing skills ecosystem and upgrade skills to international standards through significant industry involvement, develop necessary frameworks for quality assurance and establish state-of-art skill colleges across all MP Constituencies to redefine employability skills in the State of Andhra Pradesh. Ensure the effectiveness of the different skill development programs conducted by state government departments, corporations, societies and agencies by convergence and standardization.

Sri. Mekapati Goutham Reddy

Hon'ble Minister for Industries, Commerce, Information Technology, Skill Development & Training
Andhra Pradesh

Andhra Pradesh state government under the leadership of Sri Y S Jagan Mohan Reddy is passionate about making a measurable impact in everything we do and that includes our efforts towards the larger wellbeing of our communities. Taking to heart the seriousness and urgency of issues affecting the youth, we have prioritized our focus areas. We have proactively played a key role in improving the employability skills of the youth and thereby improving accessibility to the mainstream employment opportunities. Training programs in APSSDC focuses on the holistic development of the youth into the future workforce by training them in core as well as soft skills by using unique training methodologies. This makes our approach; unique, innovative and so vibrant

Sri. Challa Madhusudhan Reddy

Chairman, APSSDC

APSSDC aims to help every youth in the state to earn a decent living. We have been guided by our mission - empowering the community through skilling. To work towards this goal, we develop and implement innovative, high impact, low cost and scalable programs to address significant gaps in India's skill ecosystem. APSSDC's work has evolved considerably over time across age groups and contexts. Today, we have interventions that range from building

foundational skills in early childhood years to helping Engineering graduates to get access to the latest technologies. The fact that APSSDC's approach is now getting national level recognition; APSSDC received the ASSOCHAM award for its skill development initiatives, is a testament to the efficacy of our interventions.
